

# MULTI PURPOSE CLAMP KIT

## One clamp, two solutions

- Removable Multi-purpose Clamp Kit provides a fast and tool-free way of creating a barrier in the front or middle of a table, desk, counter or cashier.
- It can be used to divide the tables from the middle.
- It can also be used to create a shield/screen in front of a cashier.
- Manufactured by steel and plastic material.
- It can be applied desk thickness from 6 mm to 40 mm.
- It can hold panels min. 2 mm and max. 8 mm.
- To avoid any damages to the desk, inside clamp is sported with black soft pads (EVA) where it touches to the table.
- Easily removed and relocated. With two Multi-purpose Clamps, clamp position on the table or on panel is adjustable.

- It can be used to fix a range of rigid panels. Panel options: Clear or Frosted Acrylic and Wood.
- The panels can be moved easily and remounted.
- Multi-purpose Clamp Kit and Divider panels are suitable for a variety office styles, helping to reduce workplace disturbances and creating private workstations. Moreover it works well for restaurants, markets, cashiers, medical facilities, call centres and education and testing centres.
- No tools required to fix clamps and panels.
- 2 clamps are required to grip a panel.
- Packed in 2 pcs.
- Price per pack of 2 clamps.

One clamp,  
two solutions
