

# OUTDOOR SIGN

## All-In-One Outdoor Sign : Informative Signs + Wipe Dispenser + Hand Sanitizing Station + Mask and Glove Dispenser + Trash Bag Holder for Disposals

Outdoor Sign as Hand Sanitizer Station offers a perfect hand hygiene option for schools, parks, playgrounds, outdoor festivals, job sites, and high traffic locations where water is not available. It safeguards food for grocery stores, farmers markets and outdoor food vendors.

It features a comprehensive, user-friendly cleaning process - Pull, Push, Wipe, Sanitize and trash for disposal - promoting good hygiene habits, a healthy environment and all around germ protection.

### Key Features:

- Outdoor suitable pre-coated and powder-coated pole to post additional dispensers, box holding brackets and trash bag holder. Weight of the pole, base and A3 frame is 12 kg in total.
- Heavy and durable, roll on wheels base, raised from the floor with a hand pull hole on it. Weight of the base is 6 kg. Base is made of 4 mm steel in size of 40 x 45 cm. Base is heavy for stability and has 2 wheels for ease of mobility.
- Available in 2 colours; silver and black
- Total height of the Outdoor Sign is 1542 mm.
- Durable, textured powder coating suitable for outdoor conditions, resistant to scratches.

### Color options

### Additional Features:

- Waterproof Snap Frame A3, elbow push dispenser, Wipes Dispenser or Paper Towel Dispenser, mask and glove box dispenser can be added on the pole in the required match, sold separately.
- Waterproof Snap Frame A3 can be posted on landscape or portrait positions.
- Hanging Trash bag holder (holder is 0,45 kg) can be added, sold separately. Simply use any outdoor plastic trash bag around the steel holder and tie at the end of the pole. Easy to detach and dispose. Max trash weight to carry on the holder is 8 kg.

### Additional accessories to add on the separator
