

PRODUCT WITHDRAWAL ANNOUNCEMENT

RELEASE DATE: 06/04/2012 - Document #66498SW

This announcement contains the withdrawal announcement of (3) index; Snap Light, Showcase and Telescopic Menuboard from MT product range. Dear M&T Displays Partners, Distributors and Other Interested Parties:

M&T Displays withdraw *Snap Light* from production

Snap light is one of the first illuminated products we have added to our range. We gradually drove the Snap Lights out from the stocks during 2011. Through this process, we launched a new product smart ledbox, new ultra slim, high quality attractive, technologic and **functional led boxes** instead of Snap Light. LED illumination in led boxes provide up to %60 energy cost. 19 mm thinnest ledbox offers evenly diffused lux in all sizes.

Smart Ledbox with Led Technology

Double Sided Smart Ledbox

Single Sided Smart Ledbox

M&T Displays withdraw *Showcase* from production.

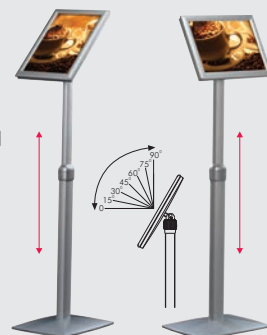

M&T Displays decided to withdraw Telescopic Menuboard from M&T product range in 2013.

Telescopic Menuboard

Thanks to R&D department's studies and distributors' feedback for increased product efficiency. We develop and produce more functional, useful, aesthetic and practical menuboard models instead of Telescopic Menuboards. Our existing products; Flexible Menuboard and Decorative / Classical Menuboard with the recently added feature of landscape/portrait position adjustment covers the different needs of applications. M&T Displays will keep providing service of parts for at least 2 years for sold items in the past.

Flexible Menuboard

One product, two positions (landscape & portrait)
