

PRODUCT REVISION ANNOUNCEMENT

RELEASE DATE: 26/09/2014 - Document #85069

**This announcement contains the withdrawal announcement of (2) products
Decorative Menuboard, Classical Menuboard from MT product range.**

Dear MT Displays Partners, Distributors and Other Interested Parties:

Based on MT Displays R&D Department work and market requests, MT Displays had designed 2 years ago, Classical and Decorative Menuboard which allows portrait and landscape use in one product. The previous Landscape-only and Portrait-only style Menuboard are now completely out of MT Displays range after 2 years continuously serving the market with these traditional styles. Today improved Classical and Decorative Menuboard Portrait & Landscape positions in one product are more and more popular in the market and covers different needs of applications.
