ŞEKERPINAR 16000 m<sup>2</sup>

DÜZCE 11500 m<sup>2</sup>

## The quality: high and approved

As the raw materials are chosen and the products created by MT Office & More, it is guaranteed a first-class quality.

## Creative: Innovative and different

MT Office & More is creative and transforms offices into living spaces. It turns offices into business, businesses into market leaders and success stories. With inspired ingenuity and a steadfast commitment to excellence, MT Office & More forge in creative designing committing a difference.

## Guarantee

MT Office & More guarantees excellent customer service with excellent products. The target always is that MT Office & More clients receive best products, prices and services possible.

## Service

MT Office & More works on the basis of long-term partnership with its clients and does whatever necessary to make a consequential contribution to clients' businesses.

TUZLA 2500 m<sup>2</sup>

MT Office & More was developed on 21 years of experience of MT Displays. The idea behind MT Office & More is to create high quality and functional office products providing turnkey interior environments which can also be used in different parts of people's lives. The target is to make people's lives easier and comfortable with MT Office & More products. Designer-made stylish products find a place in our everyday lives.

As a part of MT International Group, MT Office & More follows the same principles in regards to quality and customer approach.

MT Office & More concept is based on innovation, technology leadership and close, long-term customer relationships. To ensure continued success, MT Office & More strategy is defined in terms of the following principles:

- Customer oriented
- Flexible and agile
- Truly global
- Technology leader
- Exceptional customer service

With dedicated and intelligent people in design and development, MT Office & More has established a significant track record in commercializing new products and solutions, many of which have become the yardstick within MT Office & More customers.

Driven by the challenges, MT Office & More continuously strive to set new industry standards, resulting in higher productivity and enabling more efficient and industrial activities. MT Office & More has the passion, expertise and innovative mindset for developing new ideas into pioneering solutions.

## Wall Sign System

### Fast and simple!

The Wall Sign system is a perfect solution for wall posters and signs. It allows clear visibility for the poster and has an aesthetic curved shape. The stylish curved Wall Sign system in various sizes suits the room sign and way finding needs within the building. Designed for paper inserts and is offered in variety of profile types to match different projects. The front cover is anti-reflex which is flexed into place after inserting the paper. Poster inserts can be created from common inkjet or laser printers. Printed-paper inserts may be in portrait or landscape outline and various sizes fitting in 4 profile types.

Flexible Menuboard

Genuine design, one product, multifunctional.

With our newly designed product, we would like to bring a new dimension of performance in menuboard. The Flexible Menuboard fulfills multiple functions thanks to its adjustable height and paper position applications through various standing angles on the back. The height of the unit, the landscape/portrait positioning and the eye catching view angle are all flexible. The product is protected worldwide by all required patent and design applications. It has already been certified in DE (Germany), FR (France), US (United States of America), JP (Japan) and OHIM (European union) papers. The worldwide patent is pending.
