

PRODUCT REVISION ANNOUNCEMENT

RELEASE DATE: 07/03/2014 - Document #85059-RCL

This announcement contains revision information of iPad Kiosks Category in 1 index; Digital Solutions.

Dear M&T Displays Partners, Distributors and Other Interested Parties:

Effective today, M&T Displays is launching the revision of 1.1. iPad Kiosks specification existing in Digital Solutions Index. Through this specification M&T Displays will allow increased product efficiency and improve product life. As a key partner, M&T Displays invites you to participate in the information using aluminium covers in replacement of acrylic on iPad Kiosks.

The tentative M&T improvement revision schedule includes the following Milestones:	Dates
Release specification announcement letter	07/03/014
Coordinate with distributors for pending orders	Ongoing
Release new technical specifications	14/01/2014
Revise all written literature	March 2014

Steps of Revision:

M&T Displays kept the same design of iPad Kiosks only changing the material of cover to aluminium from acrylic. This increased the security of iPad tables in the stands. M&T Displays tested, reviewed and analyzed the efficiency performance data and reworked the production flow of the product line.

As a result, M&T decided to revise all iPad Kiosks with aluminium cover. This improvement will have no effect on the existing price lists of our distributors.

Distributor Participation:

M&T plans to track changes and impend changes automatically once the change has been approved, M&T incorporates it into a new revision of your BOM instantly. For your internal information, please communicate with your purchasing team and your sales team for introducing this new status of higher performance, for all your pending orders at factory, the improved design will be applied automatically and used continuously.
