

# PRODUCT REVISION ANNOUNCEMENT

RELEASE DATE: 23/12/2019 - Document #...

This announcement contains revision of (2) products, Wood Outdoor A Board and Timber Chalk Board in Wood Displays Index and (2) products, Wood WindPro Frame and Wood Maki in Pavement Signs Index of MT Displays 2019 Catalogue.

**Dear MT Displays Partners, Distributors and Other Interested Partners,**

Effective from today, assembly of Arc Menuboard has been revised to have portrait and landscape position in one product. Through this specification development process, MT Displays ensures continuity of quality Arc Menuboard. As a key partner, MT Displays invites you to participate in following below information to ensure continuity of Arc Menuboard.

The tentative MT Displays improvement revision schedule includes the following Milestones:	Dates
Release specification announcement letter	23.12.2019
Coordinate with distributors for pending orders	Ongoing
Release new technical specifications	December, 2019

**Steps of Revision:**

Wood type of Wood Outdoor A Board, Timber Chalk Board, Wood WindPro Frame and Wood Maki has been changed for fir tree. This revision does not affect the product practically, but increases outdoor performance.

**BOM Changes**

Product tree of Wood Outdoor A Board, Timber Chalk Board, Wood WindPro Frame and Wood Maki has been revised. Existing SKUs remain the same.

**Distributor Participation:**

M&T plans to track changes and implements changes automatically once the change has been approved; M&T incorporates it into a new revision of your BOM instantly. For your internal information, please communicate with your purchasing team and your sales team for introducing this new status of easer assembly. For all your pending orders, the improved design will be applied automatically and used continuously. Old stock should not be mixed with the new stock. Parts cannot be mixed for new and old stock.
