Steps of Revision:

Effective from today, the keys of Showboards and Tumble Boxes have been revised temporarily. Through this specification development process, MT Displays ensures the supply of Showboards and Tumble Boxes. As a key partner, MT Displays invites you to participate in following below information to ensure continuity of supply and quality Showboards and Tumble Boxes.

BOM Changes

Existing SKUs of Showboards and Tumble Box remain the same. For any customized items for you, please contact to your Sales Representative to make sure the keys affected from this change or not.

Distributor Participation:

M&T plans to track changes and implements changes automatically once the change has been approved; M&T incorporates it into a new revision of your BOM instantly and keeps record of it in SAP EAP system. For your internal information, please communicate with your purchasing team and your sales team for introducing this new status. For all your pending orders, the improved design will be applied automatically and used continuously. Should you need stocks of lock barrel & key system please speak with your account manager informing the quality trucking number on product.
