PRESENTATION

www.mtdisplays.com.tr

Established 26 years ago, M&T Displays has been organized with the commitment to catch the unrivalled standards in products and service of Point of Sale and Display world. In total of 30,000 sq meter factory area, we present 21 different products groups, and over 6000 articles; all designed, moulded and manufactured in plant. From design to manufacturing, we continue to invest in new technologies while upgrading our capabilities. Passing years has made no changes on our M&T values which are;

- Universal business ethics,
- Reliability,
- Innovation,
- Pursuit of excellence.
- Caring customer service for maximum satisfaction.

The success of our firm generates from well organized skilled professionals, investment in equipment and manpower, with a flexible production which fully carries out the needs of our dealers. Those combined with our principle act & respond on the same day, superlative quality and long years experience in providing effective solutions, bring up the desirable results for outdoor and indoor displays.

The relationship with our clients based on providing outstanding levels of service, communication and confidence, has created the M&T Displays' reputation which we are aware of its serious responsibility.

We again point out that Our displays systems offer you solutions today for your communication needs in future.

The lockable Window Frame system is available in a 32 mm profile. Thanks to 2 anti-reflex PET covers, your posters can be displayed both indoor & outdoor. The system includes a decorative back profile to hide the double-sided adhesive tape holding the frame up to the window. As the tape surrounds the whole frame, it prevents any water flow from the outside in order to keep your poster dry. The profiles open sequentially and the lockable system ensures your poster is never accessed by unauthorized third parties. Antiglare poster cover sheet.

UAWL1000F1	600 X 800 mm	with decorative header

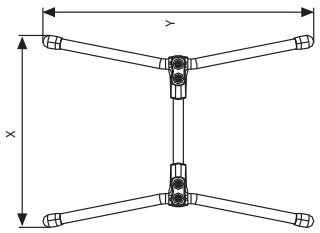

Customized header.

A new stunning look for pavement signs, it consists of 2 main articles, one of which serves the frame while the other supports the base of the product. It is practical to change the poster. It can be easily loaded, has no sharp edges and has steel springs for flexibility. The spring connectors stabilize the position of your poster. poster use is double sided.

Various Sizes are available all with Mitred corners. After the closure of the side profiles, the rubber seal inside the wind sign in addition with over Size PET makes the product waterproof. The easy-to-open snap frame includes an anti-reflex cover suitable for external use when equipped with a water wick. Product is double sided. The steel springs provide the flexibility to ensure stability. The wheels enable the movement of the units.

2 wall hangers are standard in each product. Moving hangers let the mounting in Portrait and Landscape position.

Dimmer

Optional dimmer to go with LED illuminated frame.. Simply jack the dimmer in frame and then into powersupply. It adjust the light from dark to max lux of LED illuminated frame.

Suitable for use in landscape and portrait positions.

Double Sided Portrait -Without switch

Standard hanging kit for all Sizes: 2 meters x 2 pcs wire cable and 2 ceiling hangers.

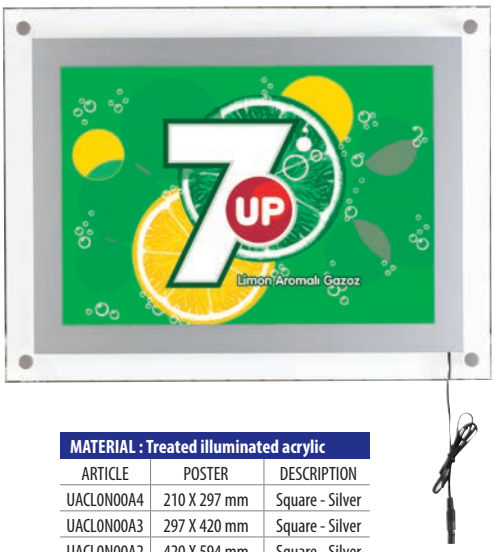

Double Sided Landscape-Without switch

Ultra slim and clear Acryled. The edge-lit acryled mounts portrait or landscape for various types of signage. Edge-lit Acryled lights up poster in sizes of A4, A3, A2. Acryled lit with LEDs use less power then traditional illuminated signage. poster is placed in between the specially treated acrylic & cover acrylic sheet & fixed in position by two clear clips on two short sides. Products is available in 2 colours; silver and black. Compared to traditional articles in the market, Acryled provides easy poster change when unit keeps mounted on the wall.

OMNIFRAME

www.omni-frame.com

Suitable for outdoor large format prints, Omni Frame is a large format Outdoor Banner System, made from lightweight aluminium. It is ideal for use with PVC eyelet banners and mainly used for large advertising areas which need to be changed regularly such as most forecourts and retail environments. Omni Frame is suitable for flat, large banners on buildings as well as mounting stand displays for indoor and outdoor use. This banner holder is assembled quickly and easily, it is a real alternative to traditional billboards.

OMNI FRAME

ETA 10/0425

FIRE RESISTANCE F90

Wall fixing screws of Omni Frame are included in the pack which are CE certified multi-expansion long plugs. Special anti-corrosion coated screw is made of zinc coated steel and plastic sleeve made of high quality of nylon. It is confirmed for outdoor fixing on various exterior building surfaces such as concrete, solid or honeycomb brick, hollow dense or hollow light aggregate block, aerated concrete and solid stone.

The first eyelet should be placed on the corners 40mm from the edges of poster used for Omni Frame. Please see below basic drawing. The other eyelets can be applied spacing 15-30cm from the first eyelet depending on the environment to be used.

Constructed aluminium, Omni A Board is a double sided, heavy outdoor banner system. It is ideal for use with PVC eyelet banners. Omni A Board is used for large advertising areas that the banner needs to be changed regularly or carried to different places. It is a great accompaniment for outdoor events, marquees and race. Omni Frame withstands approximately 42-50 kph wind.
