

FANCY FRAME

HIDDEN DESIGN FOR MORE DECORATIVE AND PROFESSIONAL PRESENTATION OF YOUR ADS

Fancy Frame, with a snap open design, is a simple to use framing system that makes changing graphics easy. The Fancy Frames are in different sizes and fits in decorative use of picture frames serving the needs of advertisers and decorators.

These clip frames differ from conventional snap frame designs due to the decorative form. This decorative design catches viewer's attention on the displayed advertisements. Having a more stylish design than traditional models, these picture frames will capture the eyes within any commercial environment.

Fancy Frame has mounting holes that are located underneath the molding. This hidden design makes this decorative frame look more professional, and enables it to mesh with any environment. This snap poster frames is hence perfect for those looking for long-term displaying, with the ability for easy and quick update of the art. Poster update only takes less than a minute of a person. Just snap open all sides and place the poster with the protective non glare cover over it, then close the frame. Protective non glare cover protects your poster from getting dirt and dust as well as prevents glaring.
