Recycled Content
Up to 78% recycled content used.

Warranty
All products are guaranteed for 3 years by MT Displays with below conditions:
Warranty Conditions

Installation Considerations
Menuboards are packed unassembled in a sturdy box with an easy-to-understand instruction sheet & fixing elements. One set includes a snap-open poster frame with angle adjustment and LED technology for illuminating prints homogeneously, an aluminium profile body with a fastener for height adjustment and a jack at the bottom for plugging power supply, a powder coated decorative heavy base. Take the system into to the opened or closed position by turning the nut at the back of the frame. In the opened position, you can take the frame system both into the portrait or into the landscape position with a 15 degrees of angle gap.

Storage Conditions
Goods should be stored at 0° to 25°C in a dry place. Store in the original package.

Design Considerations
Genuine design with patent protection. Suitable for silk screen printing, max. letter height is 15 mm. LED technology illuminates the posters and papers.

Suitable for A3 and A4 poster sizes in Landscape and Portrait positions with a flexible sight angle that catches the eye level. The heavy elegant base provides stability in highly frequented areas.

Cleaning and Disinfecting
Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.
