

FREE STANDING BANNER SET

BANNER ARMS SUITABLE FOR HANGING POSTERS ON DIFFERENT CENTRAL POLES

An ideal brochure stand that enables an indoor use of different models. The fixing grooves on both sides of the central pole hold single or double Banner arms separately or collectively at the same time. Each Banner arm is supplied with a Poster Fast set that allows easy change of the poster.

KEY SELECTION ATTRIBUTES

* Free Standing Banner Arm Sets for displaying posters on different, free standing, double or four sided central pole models for meeting different needs by utilizing multiple variations of display models at low cost.

* Suitable for INDOOR public spaces with capacity of holding banners on two or four sides of a central pole separately or collectively at the same time, for poster sizes with 400mm, 500mm, 600mm or 700mm width and max 1700mm height.

* One banner set is supplied with a poster fast set for changing posters easily, including natural silver anodised aluminium banner box profiles with notch, fast profiles with end caps, PVC profiles and allen key for fixing at desired height.

* To complete a solution, main body (central pole) and required quantities of banners, poster frames and/or brochure holder shelves need to be ordered separately.

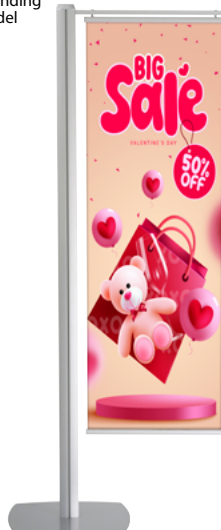

* Compatible main body can be selected from Free Standing or Novel Free Standing Leaflet Display sets, including a robust pole made from 70x70 mm anodised aluminium profile with 1920 mm height and 2 or 4 slide-in channels on sides, a heavy decorative base made from Ø450mm or 450x450mm metallic gray RAL 9006 powder coated steel for stability. For finding codes, please check their own pages.

* Compatible poster frames, brochure holders and shelves with special codes are packed with fixing elements for sliding in the channels of two or four sides of the central pole and fixing at desired height. For finding codes, please check their own pages.

* Natural silver-anodized banner sets in standard. Custom colors also available, call for custom color requests.

* Free Standing Banner set is packed unassembled with an easy-to-understand instruction sheet & fixing elements.

Design Considerations

Free Standing Banner Arm Sets for displaying posters on different, free standing, double or four sided central pole models for meeting different needs by utilizing multiple variations of display models at low cost. Suitable for INDOOR public spaces with capacity of holding banners on two or four sides of a central pole separately or collectively at the same time, for poster sizes with 400mm, 500mm, 600mm or 700mm width and max 1700mm height.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.
