

FREE STANDING LEAFLET DISPLAY 2 CHANNEL

MULTIPLE VARIATIONS OF POSTER DISPLAYS AND BROCHURE HOLDERS

An ideal brochure stand that permits an indoor use of different models. The fixing grooves on both sides of the central pole hold single-sided or double-sided frames and shelves separately or collectively at the same time. The frames are recommended for use in 30 mm profiles in both portrait or landscape position. The powder coated steel shelves are 1,2 mm thick, and the clear acrylic shelves are 4 mm thick.

KEY SELECTION ATTRIBUTES

- * Free standing, double sided and decorative brochure stands for meeting different needs by utilizing multiple variations of display models at low cost.
- * Suitable for INDOOR public spaces with capacity of holding single-sided or double-sided frames and shelves separately or collectively on both sides of the main pole for A1, A2, B1 and B2 poster & brochure sizes.
- * One main body set includes a robust pole made from 70x70 mm anodised aluminium profile with 1920 mm height and 2 slide-in channels on both sides, a heavy decorative base made from Ø450mm metallic gray RAL 9006 powder coated steel with 35 mm thickness for stability.
- * To complete a product, main body and required quantities of banners, poster frames and/or brochure holder shelves need to be ordered separately.
- * All poster frames, brochure holders and shelves with special codes are packed with fixing elements for sliding in the channels of both sides of the pole and fixing at desired height.
- * Frames with 30mm profiles are recommended for use in portrait and landscape positions. Powder coated steel shelves with 1,2 mm thickness, clear acrylic shelves with 4 mm thickness, Ø250 mm circle and 250x250 mm square shaped MDF shelves are available as optional accessories.
- * Optional acrylic logo header at 160 x 350 or 160 x 450 mm size and 3mm thickness, is not included in original pack, should be ordered separately.
- * Make up your own stand in your desired variation. Heavy & stable base for public spaces.
- * Natural silver-anodized main body profile and poster frames, metallic gray powder coated steel base and transparent or powder coated shelves in standard. Custom colors also available, call for custom color requests.
- * Main body of Free Standing Leaflet Displays is packed unassembled in 2 boxes with an easy-to-understand instruction sheet & fixing elements. See info chart for pack sizes.

Recycled Content

Up to 78% recycled content used.

Storage Conditions

Goods should be stored at 0° to 25°C in a dry place. Store in the original package.

Warranty

All products are guaranteed for 3 years by MT Displays with below conditions:
[Warranty Conditions](#)

Installation Considerations

Main body of Free Standing Leaflet Displays is packed unassembled in 2 boxes with an easy-to-understand instruction sheet & fixing elements. See info chart for pack sizes. One main body set includes a robust pole made from 70x70 mm anodised aluminium profile with 1920 mm height and 2 slide-in channels on both sides, a heavy decorative base made from Ø450mm metallic gray RAL 9006 powder coated steel with 35 mm thickness for stability. To complete a product, main body and required quantities of banners, poster frames and/or brochure holder shelves need to be ordered separately. All poster frames, brochure holders and shelves with special codes are packed with fixing elements for sliding in the channels of both sides of the pole and fixing at desired height. Frames with 30mm profiles are recommended for use in portrait and landscape positions. Powder coated steel shelves with 1,2 mm thickness, clear acrylic shelves with 4 mm thickness, Ø250 mm circle and 250x250 mm square shaped MDF shelves are available as optional accessories. Optional acrylic logo header at 160 x 350 or 160 x 450 mm size and 3mm thickness, is not included in original pack, should be ordered separately. Make up your own stand in your desired variation. Heavy & stable base for public spaces.

Design Considerations

Free standing, double sided and decorative brochure stands for meeting different needs by utilizing multiple variations of display models at low cost. Suitable for INDOOR public spaces with capacity of holding single-sided or double -sided frames and shelves separately or collectively on both sides of the main pole for A1, A2, B1 and B2 poster & brochure sizes.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.

This technical sheet's contents are all subject to update and modification at MT Displays' exclusive discretion. There is nothing official about this document. For final and legally binding information, please get in touch with the sales staff at MT Displays.
