FREE STANDING SLIDE-IN FRAMES

EASY POSTER FRAMES FOR HANGING POSTERS ON DIFFERENT CENTRAL POLES

An ideal brochure stand that allows various different models for indoor use. The fixing grooves on both sides of the central pole hold slide-in frame one alone or more at the same time. Each Frame comes along with the required fixing components.

KEY SELECTION ATTRIBUTES

* Free Standing Slide-in Frames for displaying posters on free standing, double or four sided central pole models for meeting different needs by utilizing multiple variations of display models at low cost.
* Suitable for INDOOR public spaces with capacity of holding posters on two or four sides of a central pole separately or collectively at the same time, for A4, A3, A2, B2 and 20"x30" poster sizes.
* One slide-in poster frame set comes along with the required fixing components for holding posters easily at desired height on central pole, including natural silver anodised aluminium slide-in profiles, 2 anti-reflex clear PET poster covers, 1 black PVC sheet to be placed between 2 posters for preventing the light transmission.
* To complete a solution, main body (central pole) and required quantities of banners, poster frames and/or brochure holder shelves need to be ordered separately.

* Compatible main body can be selected from Free Standing or Novel Free Standing Leaflet Display sets, including a robust pole made from 70x70 mm anodised aluminium profile with 1920 mm height and 2 or 4 slide-in channels on sides, a heavy decorative base made from Ø450mm or 450x450mm metalic gray RAL 9006 powder coated steel for stability. For finding codes, please check their own pages.
* Compatible brochure holders and shelves with special codes are packed with fixing elements for sliding in the channels of two or four sides of the central pole and fixing at desired height. For finding codes, please check their own pages.
* Natural silver-anodized aluminium slide-in frames in standard. Custom colors also available, call for custom color requests.
* Free Standing Slide-in Frame is packed unassembled with an easy-to understand instruction sheet & fixing elements.
* Allows multiple variation, heavy & stable base for public space.

Up to 78% recycled content used.

Storage Conditions
Goods should be stored at 0° to 25°C in a dry place. Store in the original package.

Warranty
All products are guaranteed for 3 years by MT Displays with below conditions:
Warranty Conditions

Installation Considerations
Product is packed unassambled with an easy mounting instruction sheet & fixing set. Allows multiple variation, heavy & stable base for public space. Each slide-in frame includes a poster protective set of 2 clear + 1 black sheet which prevent the light transmission.

Design Considerations
Free Standing Slide-in Frames for displaying posters on free standing, double or four sided central pole models for meeting different needs by utilizing multiple variations of display models at low cost. Suitable for INDOOR public spaces with capacity of holding posters on two or four sides of a central pole separately or collectively at the same time, for A4, A3, A2, B2 and 20"x30" poster sizes.

Cleaning and Disinfecting
Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.
