MONO TOTEM

DOUBLE-SIDED FREE-STANDING AD COLUMNS WITH OPTIONAL LED LIGHTING

Non-snap Mono Totem is offered with and without light. Poster is placed on 2 long sides by slide-in to profile channel. Available sizes are 500x1700 mm and 600x1700 mm. Mono Totem presents poster as double sided. Smooth & durable aluminium construction provides stability. For illuminating options, please contact your Sales Executive.

KEY SELECTION ATTRIBUTES

* Double-sided, curved design, free-standing, totem column offered with or without back-lit LED light.
* Front loading frames with non-snap fixed profiles on long sides for keeping the poster and poster protection stable and easy poster replacement.
* For the version with lighting, highly powerful and even illumination is achieved with long lasting LED technology bulbs, opal acrylic poster backings and anti-reflex PET poster covers for illuminating the posters without shining. Posters are interlaced among the acrylic backings and PET poster covers on both sides.
* For the version with lighting, illumination save up to 60% energy cost with an increased life expectancy.
* Suitable for INDOOR applications with 500x1700mm, 600x1700mm poster sizes.
* For the version without lighting, one set includes a double sided totem body and non-snap fixed aluminum profiles on long sides; 2 PS backings; 2 matt/clear anti-reflex PET poster covers; 1 powder coated top plate and 1 powder coated heavy steel baseplate for stability; ventilation holes on top and bottom plates; 1 Allen Key (5), 2 Bolts M6, 4 Bolts M4.
* For the version with lighting, one set includes a double sided totem body and non-snap fixed aluminum profiles on long sides; back-lit designed LED bulbs; 2 opal acrylic backings to diffuse light across graphics; 2 matt/clear anti-reflex PET poster covers; 1 powder coated top plate and 1 powder coated heavy steel baseplate for stability; ventilation holes on top and bottom plates; 1 Allen Key (5), 2 Bolts M6, 4 Bolts M4, 1 power adapter with 1,5 meter long cable and 1 EU Plug. UK and US plugs are available, should be specified with order. Illuminated version has no switch.
* All illuminated items are supplied with quality certificates and CE/UL PAT test reports passed.
* RAL9006 grey powder coated main body in standard and various RAL colors available with antimicrobial powder coating.
* For the version with lighting, backlit film or translucent poster material should be used for printing the signage.
* Packed unassembled in 2 boxes with an easy mounting instruction sheet and fixing hardware for assembly. See info chart for pack sizes.
* Heavy elegant base provides stability.

Suitable for INDOOR applications with 500x1700mm, 600x1700mm poster sizes. Heavy elegant base provides stability.

Cleaning and Disinfecting
Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.
