## OPTIMISED USE! LOW COST FRAMES WITH ADVANCED DESIGN FEATURES

Opti Frame is a new snap frame display product that brings a new dimension to retail display snap frames. This innovative and patent protected snap frame product is manufactured exclusively by M&T Displays. Our R&D team has focused their extensive knowledge on transforming production processes to create a completely new type of front-loading snap frame. Opti-Frame not only delivers multi functional applications with a variety of mounting options, but is specifically engineered to offer very competitive pricing in response to the demands of the competitive snap frame market. With four hinged sides, all you need to do is snap open the side profiles, place your insert then the PET protection and snap shut. Only takes less than a minute. PET protection foil keeps your insert from dirt and dust as well as getting damaged.
