

SIGN HOLDER

DOUBLE SIDED SIDEWALK SIGNS WITH EASY SLIDING DESIGN

Sign Holder Stand is a perfect advertising solution in a store or reception as a result of double sided frame for back-to-back prints. A dual-sided display helps to maximise your floor space whilst allowing your advertising message to be seen by people around. Constructed with durable parts it is recommended for use in outdoor conditions. It works with a slide-in method and can be used in both horizontal and vertical positions. The poster is inserted from the short side using this slide-in method. This durable marketing stand makes any product advertisement more attractive and stylish! Each Sign Holder Stand with weighted base to ensure sturdiness and durability in busy environments. It is a good advertising stand for hotels, travel agents, shows offices and even more.

[Warranty Conditions](#)

Storage Conditions

Goods should be stored at 0° to 25°C in a dry place. Store in the original package.

Installation Considerations

The Sign Holders are packed unassembled in a single box with an easy-to-understand instruction sheet & fixing hardware. Basic tool assembly required. One set includes an anodised aluminium slide-in frame with 19mm depth for displaying posters on double sides, 1 poster protective set with 2 anti-reflex PET poster covers and 1 PP backing sheet, 1 anodised aluminium main body post with channels on both sides, 1 oval steel base and 1 additional weight for stability, frame connector, allen keys, washer and bolts for installation.

Design Considerations

Double-sided Sign Holders with sliding channel design for easy poster changing by simply sliding posters in channels from the side or top. Suitable for public spaces with poster sizes A2 (420x594mm) in both landscape and portrait positions, and A1 (594x841 mm) in portrait position only. PP backing in the middle of 2 posters prevent light transmission. Heavy base with 6 kg weight provides stability.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.

Hazardous Substances

M&T Displays prioritizes compliance with the REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals) and RoHS (Restriction of Hazardous Substances) directives to protect both the environment and human health. We ensure that our products do not contain substances listed under REACH and adhere to strict RoHS limits for hazardous materials. Our manufacturing process ensures that lead, mercury, cadmium, and other restricted substances remain within the permitted thresholds, guaranteeing safe and sustainable products for our customers.
