[Warranty Conditions](#)

Installation Considerations

Menuboards are packed unassembled in a sturdy box with an easy-to-understand instruction sheet & fixing elements. One set includes a powder coated heavy steel base with black rubber edge for preventing slipping on wet floors, aluminium ellipse profile curved body and a poster frame with snap-open edges for easy poster change, antireflective / non-glare lens for clear sign viewing. Additional A4 or A5 brochure holders can be used with the product. Additional parts are not included in package. Optional brochure holder and adapter should be ordered separately. When the nut on the back of frame is loose, frame can be placed in either portrait or landscape position.

Storage Conditions

Goods should be stored at 0° to 25°C in a dry place. Store in the original package.

Design Considerations

Weather and rust resistant Menuboard suitable for frequented areas. Stylish curved design for capturing attention of customers. Suitable for silk screen printing, max. letter height is 15 mm. Suitable for poster sizes A3 and A4 in portrait and landscape positions with a sight angle that catches the eye level. The heavy circle base provides stability. Black rubber edge of base prevents slipping on wet floors.

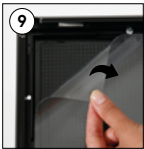

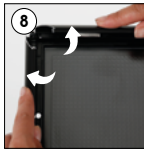

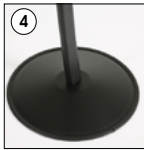

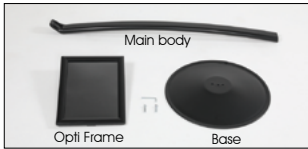

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.
