

SNAP FRAME 25 MM

“CLICK CLACK” QUICK POSTER FRAMES FOR DISPLAYING YOUR ADS

This quick clip metal sign frame is a wall mounted display that holds graphics between A4 – 40”-60” sizes and those graphics are safely protected by a clear non-glare lens against wear and tear. The lens also prevents reflection.

The poster frame combines the desirable features of affordability with style and ease of use. The snap frame has secured its name and reputation owing to the clip style, hinge support structures that simply flip open and snap back into place for the easy rotation of graphics. The removal and replacement of images can be achieved in a matter of seconds with the clip metal sign frame. Best of all, the poster holder is a wall mountable display unit whereby the front loading design of the structure means you will not have to disassemble and reassemble the frame once it has been mounted. The poster frame can be positioned in either portrait or landscape presentation, with screws and anchors supplied.
