SNAP FRAME 30 MM

BIG SIZE "CLICK CLACK" POSTER FRAMES WITH THINNEST POSSIBLE SIDES

The poster frame combines the desirable features of affordability with style and ease of use. The snap frame has secured its name and reputation owing to the clip style, hinge support structures that simply flip open and snap back into place for the easy rotation of graphics. The removal and replacement of images can be achieved in a matter of seconds with the clip metal sign frame. Best of all, the poster holder is a wall mountable display unit whereby the front loading design of the structure means you will not have to disassemble and reassemble the frame once it has been mounted. The poster frame can be positioned in either portrait or landscape presentation, with screws and anchors supplied.
