

## STRETCH FRAME

### QUICK-TO-CHANGE SIGN HOLDERS FOR YOUR PRINTED ADS

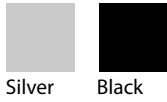

A lightweight frame that stretches the poster from 4 corners. The poster can be easily changed with the help of plastic clips. It is available in standard anodized silver. Other colors are available upon request. Two plastic hangers for both wall mounting and ceiling suspension are included. The plastic clips stretched from the corners place the poster in the center without spoiling or harming the poster paper. Once mounted, changing a poster does not require the frame to leave the wall.
