Installation Considerations

WindPro Go is packed 2 boxes with an easy mounting instruction sheet & fixing set. Assembly in 40-50 seconds. One set includes a double sided snap open 33 mm aluminium profile swing frame with 27mm depth and soft corners for safety, 2 anti-reflex PET poster covers, 1 strong PP backing, heavy water base with 2 wheels for easy transportation and fixing set for installation. Ground wheels in upside position enable easy movement of the product. It is recommended to carry the product with a carry tool, when the base is full with water. Carry tool is optional, not included in package, should be ordered separately.

Storage Conditions

Goods should be stored at 0° to 25°C in a dry place. Store in the original package.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local

guidelines and regulations.
