

STREET SIGNPRO POSTER WITHOUT LENS

MULTIPURPOSE SIDEWALK SIGNS WITH PATENT PROTECTION

Made of durable plastic, Street SignPro Poster without Lens is outdoor double sided sign frame which holds two signs in size of 24" (W) x 36" (H). Recessed sign area helps to protect poster faces. It is built with a molded-in handle for easy transport. Equipped with scissors on both sides, so SignPro does not slide and damaging sign faces. It is foldable for space saving in storage. No need to fill up with water or sand as it is already constructed with heavy materials. It is available in White and Black. Street SignPro Frame without lens allows using rigid graphic. This unique feature helps keeping the graphic in place sturdily. Frame is locked with hidden locking to avoid unnecessary access to rigid poster.

Installation Considerations

Street SignPro is packed with an easy-to-understand instruction sheet. One set includes double sided (HDPE) durable plastic boards with recessed sign areas, aluminium frames with hinged system for protecting and keeping the graphic posters in place sturdily, wheels and a molded-in handle for easy transport, hidden locking mechanism for avoiding unnecessary access to posters, flat folded scissors on two sides for keeping the system stable and saving space during storage. No tool assembly required.

Design Considerations

Double-sided Street SignPro with Patent Protection (PCT/EP2017/052765). Suitable for Outdoor use with 24" (W: 610 mm) x 36" (H: 915 mm) poster sizes on both sides. No need to fill up water or sand as it is already constructed with heavy materials. Chalkboard Markers are optional. Should be ordered separately.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle

shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.

Hazardous Substances

M&T Displays prioritizes compliance with the REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals) and RoHS (Restriction of Hazardous Substances) directives to protect both the environment and human health. We ensure that our products do not contain substances listed under REACH and adhere to strict RoHS limits for hazardous materials. Our manufacturing process ensures that lead, mercury, cadmium, and other restricted substances remain within the permitted thresholds, guaranteeing safe and sustainable products for our customers.
