

POP-UP WITH MAGNETIC & CLIPS

QUICK AND EASY FRAMES FOR LARGE GRAPHICS DISPLAYS

Pop-up stands with clips or magnetic sticker are still the most exhibition system display for large graphic displays. These collapsible displays are a quick and easy way to market yourself or your company at any event. The sturdy extendable aluminium frame showcases a vibrantly printed fabric banner, which can feature your company logo, contact details or special products. Changing the graphics is as easy as attaching the new printed banner. They are easy to transport, light weight, simple pop-ups and packable into a roto-molded plastic carry bag for transportation. Pop-up displays have a variety of sizes 3x3, 3x4. Panels are fitted to create a round display.

KEY SELECTION ATTRIBUTES

- * Pop-up stands with clips or magnetic sticker fixing design for large posters,
- * Suitable for poster sizes 3x3 and 3x4.
- * One set includes pop-up frame with clips or magnets, bars with magnetic tape, self adhesive magnetic tape, PVC with clips or magnets, simple straps, hanging straps with clips or magnets.

- * Natural silver-aluminium and black PVC in standard.
- * Packed unassembled, single pop-up, no tool assembly.
- * After the printing is applied on the black PVC panels, the overall sizes should be cut & resized to net panel sizes using at least trimming knives.

PHYSICAL DATA

Material

Aluminum profiles, PVC stickers and tapes.
Magnetic or clipped PVC back panels. Steel bars

Poster Material & Thickness

0,4 mm for side panels and 0,6 mm for middle panels for standard product. Any non-standard poster thicknesses should be indicated with order.

Surface Finish

Natural silver-aluminium and black PVC in standard.

Recycled Content

Up to %78 recycled aluminium used.

Warranty

All products are guaranteed for 3 years by MT Displays with below conditions:

[Warranty Conditions](#)

Installation Considerations

Pop-up stands are packed unassembled. One set includes pop-up frame with clips or magnetic, bars with magnetic tape, self adhesive magnetic tape, PVC with clips or magnet, simple straps, hanging straps with clips or magnet. No tool assembly.

Storage Conditions

Goods should be stored at 0° to 25°C in a dry place. Store in the original package.

Design Considerations

Pop-up stands with clips or magnetic sticker fixing design for large posters. Suitable for poster sizes 3x3 and 3x4. After the printing is applied on the black PVC panels, the overall sizes should be cut & resized to net panel sizes using at least trimming knives.

Cleaning and Disinfecting

Clean your displays, with damp microfiber clothes, rinsed with simply water or warm, soapy or gentle shampooed water. Avoid using vinegar, abrasive, acidic, alcohol-based or heavy cleaners or cleaners containing Ammonia. Only after cleaning the product, if needed, simply apply disinfectant or sanitizer that is in compliance with your local guidelines and regulations.
